It has been so long since I have
gone out anywhere that I feel I
can hardly wait till I get able
to go. think I'll just go! and go
all over town. Poor Sister Under-
son is lonely now. She looks so
sad since Bro Anderson died
and Bro Brown is gone too.
Jane and John are at E I guess
I went to Egan while Fred was
campaigning and saw all the
folks there. Uncle Will is still
quite well. You see I tremble
a little and maybe you can't
make out all the words.

Well; hope you are well and
will soon get your pension
Our love to all of you from

St Johns Arizona

Mrs Anna S Tenney
Provo Utah.

Dearest Mother; Guess you'll
be glad to know that I am
all right again. Jim so
careless about writing I know
it is a treat to you. Baby
Girl came on the 18 of Feb. She
is 16 days old today and I am
up and around a little bit.

Tenney Minnie and Warren
had German measles while
I was sick. Warren was very
sick, had gathered ears, Island
swellings and sure did feel
bad. We couldn't here help in
St Johns as usual so had to do
ourselves. Grandma Whiting
came in the day, But she

so miserable she can't do anything but fix a bite for me
and change the baby, Sister Jarvis, nursed me and she was
so good, came 15 days to care for the baby. Fred and Alice
did the work and Aunt Julia did some of the washing. Aunt
Julia looks awful poor and pale and bad. Ethna doesn't get any
better. Annie was here once for a few minutes. You know
she has a big family herself now. Just think I've got six.
Doesn't even seem possible to me. But our oldest is larger
than her mother and they are all alive and we very. Something
I think they are too much for me to manage. But I don't want to
give any of them away. Fred enjoys his work and feels like we
are blessed in getting something for the six to eat, guess
this will sound funny to Ed because he has had more & done
better, perhaps, by them than we have. Anyway we think
Ed is a wonder, and one of the best men in all the world.
Sister Rachel Berry looks so old and care worn since she
lost her husband, Gerald is married now and they are all
away teaching or working, I guess, but him, Sister and Bro
Macon Pitrean draw a pension from the same source
Father did. They only get \$20. per month. Marcius & Fannie C.
are still here. He holds a County office (Justice of Peace). She is 100 and
