Dear Sister Rosalia. ∴ What's  
the matter of us any way, I'm  
just sick to hear from you, but  
too lazy, I guess, to write.

What are you doing now,  
There are all the Dear boys  
and Sweet looly Minnie.

Guess you've got the grand  
baby now, Write and tell me  
about it.

Received a letter from  
Minnie in which she told  
me Nate had had a very  
serious accident, a horse  
got him down, pawed him  
broke 6 ribs, one of which  
fractured his lung also  
tore his kidneys loose and

cut him up <sup>L-12-b</sup> some thing  
awful. This happened on the  
4<sup>th</sup> of may, havent heard any  
more, said he was in the  
Lordsburg hospital. I do wish  
~~they~~ <sup>they</sup> could have taken him  
to a larger place, as I dont  
believe its a very large nor  
well equiped hospital.  
Poor old Nate, seems he has  
had his share, right along  
Has two looly familys and  
I do admire Myrtle and  
love her for what she has  
done, but am afraid he is  
nt sitting in a garden  
Did you know Minnie came  
and staid three weeks with  
us last Summer, sure did  
enjoy her. Amanda tells  
the boys she is coming up  
here to spend the vacation  
time she has this Summer

Our two boys are in school  
in Tempe, and what I think  
is so fine, they are making  
their way. We haven't sent  
them a cent of money.

They play five nights out of  
the week at the Country Club.  
Afton is going to the Orient  
this summer with an  
orchestra. They get their  
Room board and \$30<sup>00</sup> per  
month. Scares me to think  
of his going, but as Dad  
says I can't keep him on my  
knee always. He had a chance  
like that last summer, but  
turned it down, because I  
didn't want him to go.  
Winifred is a Junior in H.S.  
now. We were so thrilled  
the other day because she  
rec'd 2<sup>nd</sup> prize (15<sup>00</sup>) in a

2-12-04  
nation wide contest from  
the High Schools Harmony  
Classes, The boy who took  
1st prize was from Boise  
Idaho. They first notified  
the H School by Telegram  
and then sent a man here  
with the money. Itimified  
so so bashful, the honors  
praise, congratulations etc  
almost, was more than  
she could handle.

You'll think I'm bragging  
but little ~~of~~ Warren Grant  
is Valedictorian of his  
class, this year, Graduates  
first with a class of 39.

Well I am proud but very  
humble, And I tell them if  
they will only be good boys  
and girls its all I'll ask  
of them. Alice has 4 of

L-12-E  
The grandest babies, I enjoy  
them more than I did  
my own, because I was  
so nervous and up in  
the air always.  
I'm planting garden and  
am so safe in limb  
and muscle, But Fred is  
so busy building houses  
he doesn't get a minutes  
time. Its the first time  
I've ever had the respons-  
ibility of <sup>all</sup> the planting.  
The St Johns Stake is celeb-  
rating its 50<sup>th</sup> year of  
being an organized stake  
Every one is coming who  
has ever lived in St Johns  
we hope. And want you to  
come. I'm going to write to  
all the folks and urge  
them to come.

L-12-F

I wish you'd let Lois know  
about Kate, Dear Brother.  
I'm so anxious to hear  
that he is better.

We are all well, and  
working like mad. hope  
you can write me a  
nice long letter, tell me  
about every one of you,  
and please don't think  
I'm bragging on my  
children.

Worlds of Love to my  
Darling Sister and family  
whom I can't find words  
to express how nice I think  
you are. - Sister Lurline

P.S. In reading over my letter I see  
didn't tell what she did for prize  
she wrote music for a four part  
song and piano accompaniment
