

Dear Mom,
Dad probably told you
all about Warren's letter
and the details but anyway
how Warren wants us
to send his pen to him
so I am going to send
it in the morning, I
hope that is agreeable
with you.

I wish you could have
seen Harold, he's really a
nice guy.

I've sure been working
hard lately and backaches
are the result but I also
pull in the money so
I guess I won't complain.

I hope you had a
nice long vacation, you
needed it, but I also
will be glad when you
come home, Dad & I are
getting lonesome and also
thin.

Write to us some more
Love
Verna Mae

Dear Mama: Saw Adeline
R but he is not coming
back, so no chance with
him. Fair doesn't know
when he will go yet but
I'll ask him again and
let you know. C-A-4

We are getting along
O.K. so have a good time
no letter from Warren
yet. he must have moved
no news, but of course
I wouldn't know if
there was.

It's still plenty dry
I'm trying to get my
corn planted & every
body crowding me for
work - Lots of Love - Dad

Dear Mom: The news is that
the rice was yesterday
I hope it was when you
washed your face & soap
the rice is under & so
last night. She is feeling
better in this morning -
Dorothy's hand is staying
with her.
Fair doesn't know
when he is coming after
you, says he is working
for the day when you
can find out but you'll
not know from when you
stop you get the check etc.
Adeline is working every day
now so it keeps me happy
but we're getting along
okay as long as you
love - Dad & I are
still so much love to you
